### YAROSLAVSKY ANNOUNCES AFFORDABLE HOUSING PROJECT IN WEST HOLLYWOOD

Supervisor Zev Yaroslavsky has announced that a new 24-unit affordable housing apartment project will soon be underway in the City of West Hollywood.

Yaroslavsky said that recent Board approval for a \$2.9 million revenue bond issue by the County's Housing Authority will assist the West Hollywood Community Housing Corporation in purchasing property and constructing the Havenhurst Apartments, a 24-unit affordable apartment complex to be located at 1433 Havenhurst Dr., just south of Sunset Boulevard in West Hollywood and close to nearby community, recreational and supportive services.

The units will surround a courtyard and feature large balconies or patios and building amenities will include a large community room, computer room, central laundry and an elevator.

Yaroslavsky said that apart from the on-site manager's unit, the 23 tenant apartments would be reserved for at least 55 years for very low-income households with incomes at or below 50 percent of the region's family-adjusted median income as determined by the U.S. Department of Housing and Urban Development (HUD).
